Acevedo,

I will contact you to talk about the encampments. We have a funeral for one of our officers today and we have a homeless count tomorrow evening.

A few things....

-have you requested sanitation for each encampment? You can do it using the MYLA311 application.

-we are not allowed to move encampments when it's raining or the temperature is under 50 degrees.

-I will forward this request to LAPD's HOPE team to reach out to the individuals and see if they want shelter and coordinate a clean up of the street.

Thank you for the pictures... I'll be calling you to coordinate enforcement and outreach.

SLO Guerra,

I am requesting for your assistance, we have been experiencing a high volume of issues in regards illegal encampments located on Cole and Willoughby, Cole and Waring. HMDB.I.D officers receive service calls for subjects blocking the sidewalk, disturbing businesses, fights, using controlled substances, drinking in public. I would like for my team to work together beside you to show partnership and unity with law enforcement. Please advise me when would it be the best time to set up an approach to this situation. Also to discourage and prevent future illegal activities. I appreciate your assistance to this matter.

See pictures attached.

Thank you in advance.
